

A perfect blend of concrete with colours and patterns- Dyecrete®

Volume supplied	320 cum
Area of application	Path Way & Parking Area
Solution	M-25 for Base PCC M- 30 for Dyecrete®
Location	Raipur

Project Description

The project was at Jogger’s Park Children’s play area under Government. of Chhattisgarh. Civil Contractor for the project was Yash Construction & Suppliers (An ISO 9001:2008 certified company)

Challenges

Client was not satisfied with Normal Paver Block and Its Colour & Design pattern.

Client wanted to complete the project in a very short period (Within 8 Days) as Inauguration date for this project was pre-fixed by the Department.

Solution

RMC CSG team recommended **Dyecrete®** as a solution for the Project.

Dyecrete® comes with high durability and superior eye catching colour, design and pattern. It has numerous advantage compared to paver blocks.

The project was completed well within the stipulated time.
