To,

The Manager (Business),
RMC Readymix (India) [A Division of Prism Cement Limited]
Mumbai Region

Subject: Supply of High density concrete for the walls meant for radiation shielding at our hospital at Mahim, Mumbai.

Dear Sir,

We would like to place on record that M/s RMC Readymix (India) [A Division of Prism Cement Limited] has successfully supplied us the above mentioned concrete under their trademarked name of **Highdensecrete™3500** through our Civil Contractor M/s. AMI Construction. As against our concrete density requirement of 3,500 kg/cum., we had actually achieved a density of 3,600 kg/cum. at site.

We would like to thank the entire **RMC India team** for all their major and minor contributions for the same. We are happy with the professional and quality conscious approach, including the un-paralleled teamwork exhibited by this team.

Thanking You All once Again!!!

Regards,

Sunil Dange
Sr. Manager – Projects
